Advanced Technology to Make Your Indoor Air Quality Vision a Reality

LCH SERIES

Heat or Energy Recovery Ventilation Systems

Introducing the New Greentek Light Commercial Series of Heat and Energy Recovery Ventilators. Offers

More and more illnesses are associated to poor indoor air quality, heat or energy recovery has become an essential solution in improving the indoor air quality. The Greentek series of light commercial will have you covered, from daycare and small offices to large commercial applications.

Heat Recovery Core

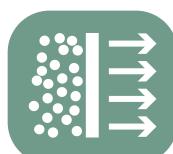

The state of the art fixed plate cross-flow heat exchanger using aluminum,

Reliability and peace of mind

performance fans assure maximum airflow and efficiency

Standard MERV6 rated washable filters

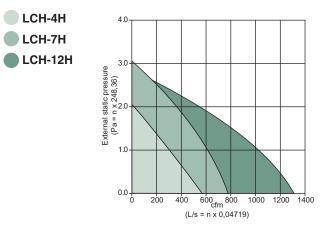

Easy balancing with the Duotrol balancing system*

The reversible control panel makes these unit completely reversible.

Specification

| Models | Туре | Item | Airflow Range | | |
|---------|---------|--------|--------------------------------|--|--|
| | Product | No. | CFM (L/s) | | |
| LCH-4H | HRV | 463300 | 200 (94 L/s) to 450 (212 L/s) | | |
| LCH-7H | HRV | 463301 | 500 (236 L/s) to 750 (354 L/s) | | |
| LCH-12H | HRV | 463302 | 1200 (566 L/s) | | |
| LCH-4E | ERV | 463303 | 200 (94 L/s) to 450 (212 L/s) | | |
| LCH-7E | ERV | 463304 | 500 (236 L/s) to 750 (354 L/s) | | |
| LCH-12E | ERV | 463305 | 1200 (566 L/s) | | |
| GTDMK14 | ACC | 463306 | | | |
| GTPDK14 | ACC | 463308 | | | |
| GTDMK20 | ACC | 463307 | - | | |
| GTPDK20 | ACC | 463309 | - | | |
